Karl Fiorini, Artistic Director – Biography

Karl is a composer, pianist, and festival director. He read for a Master’s in Music Composition at the Guildhall School of Music and Drama, London, and obtained his Doctorate from the Royal College of Music, London. His output of more than 50 works, ranging from solo to chamber music, to music for film, theatre, and

dance, and large symphonic compositions, is regularly performed throughout Europe, and he is much in demand as a composer.

His compositions have been released on record by Divine Art Recordings and Grand Piano Naxos. He is the Artistic Director of the Malta Festival of Ideas and the Malta Spring Festival, an annual event that celebrates the realms of classical and contemporary music, showcasing a captivating blend of talent across various genres by renowned artists, providing a platform for rising stars to shine, and also featuring concerts by performers with special needs.
